Notulis,

 (Nila Afriani, S.Pd.)

Dear Participant,

It is a pleasure to have the opportunity to cooperate with your institution. Depending on the agreement we signed, we are, as the program country institution, supposed to apply for the Erasmus+ Programme International Credit Mobility (ICM) by writing a proposal. During the application procedure, there are four main questions that have to be answered by considering both our and your perspective so as to get the award. Hence, we kindly would like you to provide replies to the following questions so that we could write a more promising project. The expected mobilities are only possible after the compliance of the project by European Commission (You will be informed when MCBU receives a confirmation.).

1-Relevance of the strategy; Explain why the planned mobility project is relevant to the internationalisation strategy of the higher education institutions involved (both in the Programme and Partner Country). Justify the proposed type(s) of mobility (students and/or staff).	
What is your internationalisation strategy?	<p>We have done two strategies:</p> <ol style="list-style-type: none"> 1. Internationalization in our university: <ol style="list-style-type: none"> (1) We accept international students to study for Bachelor, Magister and Doctorate degree, (2) we invite international experts for teaching, international speakers in seminars, workshops, trainings, international journal publication. 2. Internationalization outside our university; sending lecturers/staff to study abroad , get shorcourses, international seminar, lecturers exchange, students exchange, having MoU with reputable universities, and benchmarking,
Why would you like to carry out Erasmus+ mobility (attract talent, research purposes, opportunities for staff development etc.)	<p>We would like to carry out Erasmus+ mobility for some reasons:</p> <ol style="list-style-type: none"> 1. Improving academic experience for students and staff, 2. Spreading international academic cooperation (teaching and learning process, research, journal publication, community service 3. Improving academic quality and service through benchmarking with world class universities in Europe 4. Actualizing UIN Raden Fatah's international vision (becoming international standard university, national insightfull dan islamic character)
Why would you like to cooperate with MCBU and Turkey?	<p>We are interested to cooperate with MCBU and Turkey because:</p> <ol style="list-style-type: none"> 1. MCBU has some linear deaprtment with UINRF 2. MCBU has well known national and

	<p>international reputation</p> <ol style="list-style-type: none"> 3. MCBU has a lot of international cooperation experiences through Erasmus+ program 4. Educational atmosphere in Turkey really supports for higher education level
Do you have any prior cooperation with institutions from other countries? If yes, explain shortly.	<p>We have some academic cooperations with</p> <ol style="list-style-type: none"> 1. Regional English Language Officer from United States Embassy for teaching, seminar, workshop, and training 2. Senior Experten Service from Germany for Staff training, workshop and seminar 3. University of New Castle Australia for developing family studies department and research 4. Universities in Malaysia for students exchange and internship program 5. Universities in Brunei for Colloquium and international seminar
What is your preference given to type of mobility (student-staff), level (bachelor, master, and doctorate) and department? Why?	<p>Our preferences for student-staf</p> <ol style="list-style-type: none"> 1. For Bachelor degree, we prefer some departments such as information system, biology, chemistry, economy, banking, social politics, psychology, communication, journalism, law, libraries, religious studies and education. We choose those departments since they are new in UINRF (averagely established in 2014). Therefore we need to enrich academic experiences from world class university 2. For master degree, we prefer some departments such as education, law, economy, and religious studies. We need to enrich academic writing experience. 3. For doctorate degree, we prefer education and religious studies department.
Please provide quantifiable information about the profile of the institution (complementarity of faculties/departments, size and influence in the particular area, similarity of the programmes).	<p>UINRF was established since 1964 as an institute. In 2014, UINRF has been transformed as University with 45 Departments from 9 Faculties and 1 Graduate Program. UINRF has 36 departments for Bachelor Degree and 9 Departments for Graduate Program. The total number of students in 2018 is 20.000. UINRF has 500 lecturers and 300 office staff. Since 2014, International students has reached around 150 students from Malaysia, Thailand, Singapore, Sudan, Korea, Turkey.</p>

2-Quality of the cooperation arrangements; Detail your **previous experience of similar projects** with higher education institutions in this Partner Country, if any, and explain how, for the planned mobility project, responsibilities, roles and tasks will be defined in the Inter-institutional Agreement.

Do you have any previous similar projects? Explain their effects on future cooperation.	Students exchange with nasional university (Universitas Padjajaran, Bandung Indonesia) we hope this experince gives improvement for similar cooperation in the future for international scope
Do you provide support for visa / insurance / accommodation / financial support to outgoing students/staff?	No, we do not need to provide visa because this is national cooperation. We provide tickets to support the students/ staff
To what extend do you guide Turkish students/staff about visa/insurance etc.?	We will give guidance and related information for the process for having visa/insurance during their stay in Indonesia.
Who will be responsible to manage the mobilities? What is the operational capacity of your institution (Human resource, equipment, financial capacity etc.)?	International office (4 persons) and vice deans (10 persons) of faculties will responsible for the mobilities . We also provide 3 operational buses and accomodation support for the mobility.
What are the communication channels?	We use Video call through Whats app
Do you have a course catalogue or not? Provide a link please.	Yes we have in www.uinradenfatah.ac.id
How do you manage recognition of the credits taken internationally?	We will <ol style="list-style-type: none"> 1. Compare the linearity among departments in both universities 2. Analyze the achieved contents 3. Analyze the achieved learning outcome 4. Analyzing the learning credit hours 5. The linear credit subjects will be legalized formally on the transcripts by head of department and dean

3-Quality of project design and implementation; Present the different phases of the mobility project and summarise what partner organisations plan in terms of selection of participants, the support provided to them and the recognition of their mobility period (in particular in the Partner Country).

What kind of facilities are available to Turkish students / staff (libraries, labs, sport centres, dormitories etc.) and their distinctive features like size, content etc. (if possible)?	There are some facilities provided; <ol style="list-style-type: none"> 1. housing (for about 300 persons) 2. wifi access
--	---

	<ul style="list-style-type: none"> 3. library with offline dan online acces 4. computer laboratorium 5. sport center 6. food court 7. mini market 8. mosque 9. health center
Explain shortly your credit system. How many credits or equivalent units an incoming will receive (e.g. 30 ECTS)?	<p>Our credits system for bachelor degree is about 140-145 credits , for master degree is about 40-45 credits, doctorate degree is about 30-35 credits.</p> <p>For the in coming will have around 10-12 credits.</p>
What is medium of instruction? Do participants receive native language course?	<p>The instruction media will use face to face 70%, e-learning 30%.</p> <p>BIPA (Indonesian intensive class) will be given during the studies to support their communication during the program.</p>
Do you organise any social and integration activities? If yes, explain shortly.	<p>Yes, we have organize integration like summer camp for international students, international culture day festival, international culture seminar.</p>
How do you encourage participants from disadvantaged backgrounds or with special needs to participate?	<p>We provide counselling and guidance for helping them</p>

<p>4-Impact and dissemination; explain the desired impact of the mobility project on participants, beneficiaries, partner organisations and at local, regional and national levels. Describe the measures which will be taken to disseminate the results of the mobility project at faculty and institution levels, and beyond where applicable, in both the Programme and Partner Countries.</p>	
What are the expected impact of ICM on the participants (e.g. what skills they will acquire)?	<p>We hope from the impact of ICM can</p> <ul style="list-style-type: none"> 1. Give the participant academic international experience. 2. Enrich new international knowledge related to the linear studies 3. Feel the international academic atmosphere 4. Enrich the international out look and have good interaction among the international student and staff 5. Improving the international cooperation among students and staff

What are the expected impact of ICM on your institution?	<ol style="list-style-type: none"> 1. Enrich international cooperation 2. UIN Raden fatah will be known internationally with university partner 3. Improving international academic recognition 4. improving staff self esteem to collaborate with universities abroad 5. improving international academic quality standard
How the outcomes will be measured and evaluated?	<ol style="list-style-type: none"> 1. Evaluating the behavior and achievements in working 2. Evaluating the working productivity through the increasing number of journals, scientific publication 3. Analyzing the possible advance academic collaboration
How you will know whether you have achieved the desired and expected impacts?	The quality assurance department will evaluate it every 3 month
Do you have any means to measure success and disseminate results (e.g. publications, surveys, newsletters, alumni networks etc.)- If not, how will you develop them?	The success can be checked from the news info through web, newspaper, newsletter, networking alumni, survey, focus group discussion,
How do you keep the dissemination activity at the faculty/university level only or go beyond?	We keep the dissemination by spreading to other universities in indonesia as participant and partner

5-Write any comments positive or negative if your institution has been involved in International Credit Mobility before.	
Have you participated in ICM with an institution before? Which one?	Not yet
What were the advantages or disadvantages you gathered as a result of the mobility programme?	-
Do you still keep the cooperation or stop it? What are the reasons of going on cooperation or stopping the cooperation?	-

Inter-institutional¹ agreement 2018-20[21]²
between institutions from
Programme and Partner Countries³

[Minimum requirements]⁴

The institutions named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects of the organisation and management of the mobility, in particular the recognition of the credits (or equivalent) awarded to students by the partner institution. The institutions also commit to sound and transparent management of funds allocated to them through Erasmus+.

¹ Inter-institutional agreements can be signed by two or more higher education Institutions (HEIs), at least one of them must be located in a Programme Country of Erasmus+.

² Higher Education Institutions have to agree on the period of validity of this agreement

³ Erasmus+ Programme Countries are the 28 EU countries, the EFTA countries and other European countries as defined in the Call for proposals. Eligible Partner Countries are listed in the Programme Guide.

⁴ Clauses may be added to this template agreement to better reflect the nature of the institutional partnership.

⁵ Higher Education Institutions (HEI) from Erasmus+ Programme Countries should indicate their Erasmus code while Partner Country HEIs should mention the city where they are located.

⁶ Contact details to reach the senior officer in charge of this agreement.

B. Mobility numbers⁷ per academic year

[Paragraph to be added, if the agreement is signed for more than one academic year:

The partners commit to amend the table below in case of changes in the mobility data by no later than the end of January in the preceding academic year.]

UIN Raden Fatah Palembang		English	Indonesian	B1	B2

For more details on the language of instruction recommendations, see the course catalogue of each institution *[Links provided on the first page]*.

D. Respect of fundamental principles and other mobility requirements

The higher education institution(s) located in a **Programme Country** of Erasmus+ must respect the Erasmus Charter for Higher Education of which it must be a holder. The charter can be found here: https://eacea.ec.europa.eu/erasmus-plus/actions/erasmus-charter_en

The higher education institution(s) located in a **Partner Country** of Erasmus+ must respect the following set of principles and requirements:

The higher education institution agrees to:

- Respect in full the principles of non-discrimination and to promote and ensure equal access and opportunities to mobile participants from all backgrounds, in particular disadvantaged or vulnerable groups.
- Apply a selection process that is fair, transparent and documented, ensuring equal opportunities to participants eligible for mobility.
- Ensure recognition for satisfactorily completed activities of study mobility and, where possible, trainee ships of its mobile students.
- Charge no fees, in the case of credit mobility, to incoming students for tuition, registration, examinations or access to laboratory and library facilities. Nevertheless, they may be charged small fees on the same basis as local students for costs such as insurance, student unions and the use of miscellaneous material.

⁸For an easier and consistent understanding of language requirements, use of the Common European Framework of Reference for Languages (CEFR) is recommended, see <http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

The higher education institution located in a **Partner Country** of Erasmus+ further undertakes to:

Before mobility

- Provide information on courses (content, level, scope, language) well in advance of the mobility periods, so as to be transparent to all parties and allow mobile students to make well-informed choices about the courses they will follow.
- Ensure that outbound mobile participants are well prepared for the mobility, including having attained the necessary level of linguistic proficiency.
- Ensure that student and staff mobility for education or training purposes is based on a learning agreement for students and a mobility agreement for staff validated in advance between the sending and receiving institutions or enterprises and the mobile participants.
- Provide assistance related to obtaining visas, when required, for incoming and outbound mobile participants. Costs for visas can be covered with the mobility grants. See the information/ visa section for contact details.
- Provide assistance related to obtaining insurance, when required, for incoming and out bound mobile participants. The institution from the Partner Country should inform mobile participants of cases in which insurance cover is not automatically provided. Costs for insurance can be covered with the organisational support grants. See the information/ insurance section for contact details.
- Provide guidance to incoming mobile participants in finding accommodation. See the information/ housing section for contact details.

During and after mobility

- Ensure equal academic treatment and services for home students and staff and incoming mobile participants and integrate incoming mobile participants into the institution's everyday life, and have in place appropriate mentoring and support arrangements for mobile participants as well as appropriate linguistic support to incoming mobile participants.
- Accept all activities indicated in the learning agreement as counting towards the degree, provided these have been satisfactorily completed by the mobile student.
- Provide, free-of-charge, incoming mobile students and their sending institutions with transcripts in English or in the language of the sending institution containing a full, accurate and timely record of their achievements at the end of their mobility period.
- Support the reintegration of mobile participants and give them the opportunity, upon return, to build on their experiences for the benefit of the Institution and their peers.
- Ensure that staff are given recognition for their teaching and training activities undertaken during the mobility period, based on a mobility agreement.

E. Additional requirements

[To be completed if necessary. Other requirements may be added on academic or organisational aspects, e.g. the selection criteria for students and staff; measures for preparing, receiving and integrating mobile students and/or staff including cultural preparation before mobility; the recognition tools used]

[Please specify whether the institutions have the infrastructure to welcome students and staff with disabilities.]

F. Calendar

1. Applications/information on nominated students must reach the receiving institution by:

Receiving institution [Erasmus code or city]	Term*	Term*
TR MANISA 01	June 15th	November 15th
UIN Raden Fatah Palembang	June 15th	November 15th

[to be adapted in case of a trimester system]*

2. The receiving institution will send its decision within [x] weeks.
3. A Transcript of Records will be issued by the receiving institution no later than [xx] weeks after the assessment period has finished at the receiving HEI. *[It should normally not exceed five weeks according to the Erasmus Charter for Higher Education guidelines]*
4. Termination of the agreement

[It is up to the involved institutions to agree on the procedure for modifying or terminating the inter-institutional agreement. However, in the event of unilateral termination, a notice of at least one academic year should be given. This means that a unilateral decision to discontinue the exchanges notified to the other party by 1 September 20XX will only take effect as of 1 September 20XX+1. The termination clauses must include the following disclaimer: "Neither the European Commission nor the National Agencies can be held responsible in case of a conflict."]

G. Information

1. Grading systems of the institutions

[It is recommended that receiving institutions provide the statistical distribution of grades according to the descriptions in the ECTS users' guide⁹. A link to a webpage

⁹ http://ec.europa.eu/education/tools/docs/ects-guide_en.pdf

can be enough. The table will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.]
